What is this Workshop all about?

The 40 day Salesforce Workshop is a unique opportunity to immerse yourself into the world of Salesforce and CRM. You will work along with industry experts and certified professionals who will teach you everything you need to know to get the ADM 201 certification. But there is more. As part of this workshop, we also introduce our participants to the development platform that Salesforce has to offer. Our team realizes that in today's age, it is important that we understand a little bit of coding and logic that can help us in the real world when communicating with colleagues.

Will I get a Course Completion Certificate?

Yes, participants will receive a course completion certificate upon completing the 40 days with us.

Who should attend?

The program assumes no prior knowledge of programming or SQL or IT. We will teach you everything you need to know irrespective of educational background. Whether you are a new graduate or a working professional looking to upskill or someone looking to move industries, this is the right workshop for you.

Why should I learn Salesforce?

The reasons to learn Salesforce are plenty. But consider some of them below:

1. You will be learning the **world's #1 CRM** with over 150,000 customers
2. Salesforce certified professionals make around **1.2 to 1.8 times of non-certified professionals**
3. The Salesforce Eco system is expected to grow by **5 times of the current size by 2022** and open up at least **3.3 Million jobs**
4. Salesforce has been positioned by **Gartner, Inc.** as a **Leader in its 2020 Magic Quadrants** in three categories: CRM Customer Engagement Center, Field Service Management, and Sales Force Automation.
5. Certified Salesforce Professionals earn anywhere between **87,000 – 160,000 USD** depending on their years of experience. In the U.A.E, the average salary is around **AED 150,000 per annum**. And in India, the average salary is anywhere between **INR 5 Lakhs to INR 30 Lakhs** per annum.
